Preliminary assignment

Age group: Explorers

Quantity: 1/ camp patrol

Equipment: computer, internet connection, paper and pen for notes

Search from the Internet a scout blog and pay attention to these things:

- Who is the administrator of the blog and who is/are writing the blog?
- What's the main reason of keeping this blog (a way to distribute information, a travel blog, a substitute for a magazine etc.?)
- How often the blog is updated?
- Are there some things in the blog that should not be published in the Internet?

If you feel that some of the topics in the blogs are close to you and you want to comment it, do it. After making a comment see if other readers or the writer of the blog answer to you.
