

Dear group leader,

As a leader taking a group of scouts and guides to a foreign camp you have an important task and we wish to thank for taking on this responsibility. Let's together make Kilke a memorable event for your group!

This package contains the first information letter to your group members. Please deliver them to the participants. A second letter will be sent directly to all participants in June. The second letter will also contain the camp participant's handbook. Please tell your scouts and guides to study the information letters carefully and also to show them to their guardians.

In addition to the information letters to participants, you'll find attached a list of your group members. Please check that all the details are correct. It is possible to register additional group members until 14 April. After mid-April we will send you the final participant lists with instructions for paying the camp fee. Please also note that the Kilke organisers will contact your national scout and guide organisation to confirm that all participants are members of a guide or scout association. Finally, you will find in this letter information about your own liaison person within the Kilke International Team.

Participants in need of a visa to Finland are responsible for organising their own travel documents. Information on travel documents required by Finland can be found from the web site of the Ministry for Foreign Affairs: www.formin.fi -> in English -> Services -> Foreign nationals arriving in Finland. Kilke can facilitate the visa process with an invitation letter, please contact us by email (kilke.international@scout.fi) should you require an invitation letter.

In order to plan the transport timetable it is important for us to know as accurately as possible when and where the international guests are arriving to Finland. For you to do this easily, we suggest that you fill in our travel schedule enquiry at http://www.kilke.fi/english/travel_enquiry. Please fill in the enquiry as soon as you know even approximately about your group's travel plans. You can also modify your information when your plans are finalised.

We look forward to seeing you at the camp! Please do not hesitate to contact your own liaison person or the Kilke International Team (kilke.international@scout.fi) in any questions you might have.

Yours In Scouting,

Kilke International Team
